CUISINE OF THE SUN

“Regional ingredients from the Okanagan and BC blended with flavors and reflections of the Southwest”

Cuisine of the Sun is inspired by the flavors and cooking styles from the Sonoran, Mojave and Chihuahuan Desert regions. Exotic and local ingredients combine through classical and rustic cookery techniques to create refreshing, bright, colorful dishes. Spice is used to enhance flavor rather than to produce heat. Our chef forages the local farms and markets to source the freshest ingredients focusing on delivering a true “farm to table” experience.
